HELP US FEED THE HUNGRY TOWNSHIP TAILS

We are appealing to your kind heart and generous spirit for dog pellets to feed our hungry Township Tails. Most of their owners live below the breadline so the one who suffers most is the animal.

There are literally hundreds and hundreds of starving furry angels who exist on table scraps if they are lucky or otherwise they scrounge through rubbish dumps in order to nourish themselves.

Unfortunately, we do not have a food sponsor and our food bill is taking its toll on our finances. Anything you are able to donate will be gratefully received by our Township Tails.

We can arrange for collection in Port Elizabeth and surrounding districts, Durban, Johannesburg and Cape Town.

Please help us to continue *making a difference* by sharing our Newsletter with your family and friends.

BABY, IT'S COLD OUTSIDE

DOG'S BEDTIME PRAYER

Now I lay me down to sleep, the king-sized bed is soft and deep.
I sleep right in the centre groove, my human beings can hardly move.
I've trapped their legs, they're tucked in tight, and here is where I pass the night.
No one disturbs me or dares intrude, til morning comes and "I want food".
I sneak up slowly to begin, and nibble on my human's chin.
For morning's here, it's time to play, I always seem to get my way.
So thank you Lord for giving me this human person that I see.
The one who hugs me and holds me tight, and shares their bed with me at night.

APPEAL FOR BLANKETS

Jack Frost has arrived with a vengeance and it is **freezing cold** ! At this time of the year we are all wrapped up in our winter woollies and snuggled up in our warm cosy beds as well as our pets. Spare a thought for our township Tails who live outside all the year without a kennel or a blanket, shivering whilst trying to sleep the night away until morning comes in the hope that the sun will give them some warmth.

Life for a Township Tail is a harsh one. If only all owners would treat them like pets and not as an object the world would be a better place.

We need blankets, and lots of them, for the poor wee souls in the Townships. If you can assist by donating a doggie blanket (even if it is a used one) this will afford them some comfort and warmth during the cold winter nights.

We can arrange for collection in Port Elizabeth and surrounding districts, Durban, Johannesburg and Cape Town.

If only our township Tails could experience the luxury of being as snug as a bug in a rug!

TOWNSHIP TAILS

In March, April, May and June 2015 we undertook Outreaches in Aquapark, Valencia, Langbos, Enon, Ericadean, Motherwell, Kleinskool, Moses Mabida & Bergsig.

We treated:

2,249 Dogs, 573 Puppies, 86 Cats and 33 Kittens for fleas, ticks, worms, mange and minor ailments, making a grand total of 2,941 animals.

NO MORE LITTERS

Animals Sterilised: March 42; April 27; May 28; June 20.

OPERATION TOUCH

CHILDREN ATTENDING A CLASS WITH THEIR OPERATION TOUCH BOOKLETS

CHILDREN INTERACTING WITH THE ANIMALS AND ENJOYING THEIR SNACKS AND COOLDRINKS

THANK YOU SO MUCH

Our sincere thanks, once again, to an exceptional lady, Erma Voigt of Graaff-Reinet for nominating us as one of the Santam Community Heroes. Santam Insurance awarded us the prize of R10 000.00 for the second year running which will go towards *Operation Touch*.

Operation Touch is going from strength to strength. We feel that education of the little ones is of paramount importance in a world where animal abuse is rife. The children are very attentive during the lesson (especially since they have the dogs for company) so hopefully they will absorb what they learn and put it into practice. The highlight of their day is interacting with all the animals—cats, dogs, pigs, donkeys and horses, and of course enjoying the snacks and cool drinks.

Please take a bow, Erma, for the nomination. Our grateful and sincere thanks to Santam Insurance for ensuring the future of *Operation Touch*.

We now have a brand new Facebook page which sports the logo as shown on the left. We will be taking down the old pages. Should you wish to view or post anything please ensure you do so on our new page.

Our sincere thanks to Leigh for designing our Facebook page and for keeping it updated. Your hard work is very much appreciated.

HOMED

Buster, who featured in our January/February Edition has been homed to a loving family.

You may recall that Buster was found lying injured in the road, with his left front leg bone jutting out, presumably having been hit by a car.

He has now landed with his bum in the proverbial butter and is a wee happy chappy surrounded by children and oodles of love.
