PAW PRINTS

January/February 2015 Edition

Well, 2014 has come and gone and we welcome 2015 with high hopes and big dreams for a good year even though the economy unfortunately seems to be on a downward spiral. We therefore rely on kind hearts to keep us going with our work in the Squatter Camps, Informal Settlements and Townships.

There are far too many puppies being born in the Townships and there are still thousands of Township Tails that need to be sterilised. To see first hand what our fieldworkers experience on a daily basis when undertaking Outreaches will surely make your wallet open a weeny bit wider so that we can stamp out the indiscriminate breeding (sterilise, sterilise, sterilise), the suffering, the starvation and the cruelty.

Puppies and kittens are abused by adults and children alike. Most of them have total disregard for God's furry creatures which is very sad and it is for this reason that Operation Touch was initiated.

These children are the future and if we can instil proper animal care in their minds from an early age (the earlier the better) then perhaps one day all animals will be treated kindly and with respect.

Operation Touch is held twice a month at the Shelter. Children are transported from the Townships to the Shelter and are given a lesson on the correct way to treat and care for animals. They are given snacks and cool drinks after the lesson and then interact with the cats and dogs. They take home with them a little booklet on basic animal care, which we compiled specially for the children, a bookmark with Bible verses and a "I love all animals" sticker. We make it a fun day for them so they will not be bored and hopefully they will tell all their little friends about the great day they spent at the Shelter.

We are looking for some kind heart to sponsor our stationery, refreshment and transport costs which all add up and put a strain on our purse strings. We usually cater for between 60 and 100 children per month.

We are hoping that at the end of the day we will have lots of kind hearts to thank for their generosity. Remember, we are in a position to furnish Income Tax Certificates in terms of Section 18A of the Income Tax Act if required.

Wishing you everything you wish for yourselves in 2015!

Please help us to continue *making a difference* by sharing our Newsletter with your family and friends.

TOWNSHIP TAILS

In January and February 2015 we undertook Outreaches in Nsengeni, Bergsig, Nomanthansanqua, Moses Mabida and Valencia

We treated:
1104 Dogs, 433 Puppies, 75 Cats and 14 Kittens for fleas, ticks, worms, mange and minor ailments, making a grand total of 1,626 animals.

UP FOR ADOPTION

BUSTER

Buster was found lying injured in the road, with his left front leg bone jutting out, presumably having been hit by a car (that did not bother to stop to see if the dog was alright) by Alvera of the AACL on the day of our Christmas Party for the children.

She wanted to know if we would be willing to help. Well, naturally, we could not turn away this precious angel.

We took him to our Vet who advised that his leg should be amputated at the shoulder. The operation was carried out in December and he has made a wonderful recovery.

Buster is approximately 10 months old, loves water and playing with the other dogs—living a normal life and doing what dogs do best. He is very well socialised with all the animals at the Shelter.

SHADOW

Shadow is a female Great Dane Boerbul X.

She was one of eleven puppies born to a Boerbul. Her father is a black Great Dane.

The four puppies were confiscated from the owner of the mommy Boerbul who died from biliary.

Three of her litter mates have already been homed.

Shadow is approximately 9 months old, well socialised, and cat friendly. She also gets on with pigs, goats and horses.

THANK YOU SO MUCH DIERE VRIENDE VAN DIE VALLEI

Our sincere thanks to “Animal Friends of the Valley” for their generous and most welcome donation of Montego dog and cat pellets for our Township Tails.

We applaud you for all the good work you do in the Kirkwood region and for assisting us with food for the furry angels, together with a monetary donation for more food just when we needed it most.

Please take a bow for your kind hearts and generous spirit.

UNWELCOME VISITOR

In January this rather large Cape Cobra was found sleeping quite happily in the horse stables at the Shelter.

We managed to catch it and carefully put it in a cat box before it could harm any of the animals at the Shelter.

We then arranged for the snake to be taken to a conservatory where it could be with its own friends.

UNTIL NEXT TIME, THE
