A Happy Tail with her Bum in the Butter

Thank you Melissa for giving Ariel a loving home where pampering is part and parcel of her daily life.

After spending a day at the Shelter on Madiba Day with the KPMG team, this precious little fur kid went home with Melissa, whose heart just melted from the time she first laid eyes on this wee lassie. She knew that it was a match made in heaven.

Ariel, as she has now been named, is being spoilt beyond belief. To say that she has landed with her bum firmly in the butter is really an understatement.
